look into my situation shortly after speaking with L.T. King. I spoke to Counselor Whittington, who was leaving out the building, and he stated that he would stop and check on my issue once he got up front. I was never responded to that day. (7-13-2009)

On 7-14-2009, I was served a disciplinary report written by R/O R. Tejada badge # 2516, alleging that I committing the following charges: 105 Dangerous Disturbance and 205 STG/Unauthorized Organizational activity.

First and foremost, this R/O back dated this report to make it seem as if he had written it within his mandatory regulated 30 days. He only wrote this report only after he was made aware of my complaints on the 3rd day of my investigative status, that I should have been released 2 days prior.

Inasmuch, R/O Tejada, based his reasons for writing this report on the following alleged facts: 1.) That this incident all stemmed from a Gangster Disciple and a vicelord whom both lived in E-3's had a physical altercation. 2.) That during interviews in E-House between 6-11-2009 - 6-14-2009, 2 separate confidential sources provided information that I (Drew) directed members of the vicelords in E-House to prepare themselves for a possible confrontation with members of the Gangster Disciples as a result of the aforementioned physical altercation. 3.) Although OTS (Offender Tracking sheet) shows that Drew lived on one gallery at the time of this incident, OTS also shows that Drew was assigned as a cell house worker at the time of this incident. 4.) That the actual confrontation took place on 6-09-2009.

In Response, I would first like to state that I am not a member of any STG whatsoever. I've been in stateville since 1999 and I have never been involved in or linked to any STG activities. Furthermore, I was unaware of any altercations between anyone in E-3-E, and I have no reason to inform any STG members of anything involving other STG members.

Nevertheless, R/O Tejada lied when he stated that the OTS shows I Drew was assigned as a cellhouse worker. I've never been assigned as a cell house worker in E-house. Also at the time of this alleged incident I am positive that the OTS shows that I was assigned as an E-House Barber, not E-House cellhouse worker.

R/O Tejada has back dated this report to get around his procedural default, and in a rush to type up his back dated report he also fabricated false facts to add substance to his report. After 30 days of investigating this R/O has chosen to fabricate false facts for whatever reason as opposed to releasing me. The procedural default as well as numerous lies, speaks volumes for how this R/O's malice intent. Especially after 30 days of allegedly investigating this cause. Had this R/O truly checked the OTS he would have known there was no way his confidential informants could have been telling the truth.

Relief Requested: intent and neglect to abide by and obey the mandatory regulated rules. Also that I be compensated atleast \$300.00 (three hundred dollars) a day for each day that I've spent in seg since 6-13-2009.

R/O Tejeda, wrote this report based upon the following alleged facts:

- 1.) That 2 confidential sources provided information that I walked up and down 5 gallery in E-house directing members of the Vice Lord STG to get on point due to an altercation between a Vice Lord and Gangster Disciple in E-523 on the date of 6-29-2009.
- 2.) That OTS (OFFENDER TRACKING SYSTEM) shows that I (Drew) was assigned as a cellhouse worker during the time of this incident.
- 3.) That OTS identifies I (Drew) as a member of the Conservative Vice Lords STG.

In response to these outrageous allegations, I am not a member of any STG at all. I was never assigned as a cellhouse worker in E-house ever. Also I never walk on 5 gallery in E-house or on any other gallery speaking on any altercations between anyone.

Per the Stateville handbook 504.50 D) The reviewing officer shall review each disciplinary report and determine whether:

- 1.) the reported facts justify a disciplinary hearing. If not, the report shall be expunged from the offenders records. A copy shall be maintained in an expungement file.

In this instance, had the reviewing officer truly reviewed the alleged facts, the reviewing officer would have known that I inmate Drew has never worked as a cellhouse worker in E-house. Also that R/O Tejeda only stated the OTS shows I was assigned as a cellhouse worker in order to add substance to his alleged informant's statements.

However, I ask that you check, I was assigned as an F-house barber during the time of this incident.

Relief Requested: I be compensated \$200.00 (two hundred dollars) a day for each day I've spent in seg after the date of 7-11-2009.

Relief Requested: I be compensated \$200.00 (two hundred dollars) a day for each day I've spent in seg after the date of 7-11-2009. Also that any ties to any STG be stricken from my records. If the office or the Cook County Clerk of the Court acknowledges that I have no ties, this institution should see things the same way until they view my actions to be different. I do not belong to any STG's and the last 9 years of my sentence should show just that, being that Stateville is the only place I've been.

OFFENDER'S GRIEVANCE (Continued)

Charges, or the offender's admission of guilt. The investigation may include an investigation of additional charges. **[D]** The hearing investigator may interview any person who may have information that relates to the alleged violation and may inspect any physical evidence. **[E]** The hearing investigator shall determine whether or not to submit a report to the Adjustment Committee, based upon the results of the investigation. However, if the investigation reveals evidence of a corrupting nature that the offender did not commit the offense, that evidence must be reported to the committee. **[F]**

In this instance, hearing investigator Brown badge #2793, whom was in charge of reviewing this major disciplinary report failed to do her job. Due to the charge being major and the severity of these charges, she had the duty to speak to both alleged informants, both individuals whom were alleged to have had an altercation in E-523, and also to check all alleged physical evidence that was presented/mentioned by R/O Terada in his report.

Upon Ms. Brown #2793 serving me this report on 7-14-2009, I explained to her that I did not know the individuals whom were accused of fighting, and also that I did not have anything to do with this situation. I further stated to her that I have never been assigned as a cellhouse worker in E-house. Also, lastly, that my 30 days had passed and I should not be being served a ticket.

Ms. Brown simply stated, that during an investigation the R/O has up to seven days after the 30 days of investigations to write a ticket.

Approximately two to three days after hearing the ticket, I spoke to Ms. Brown again while she was passing through the building serving more tickets. I ask her, had she investigated my issue as far as my job description and she stated she would speak with Lt. Franklin the person who was Foreman of the Adjustment Committee when I heard my ticket.

Had Brown did a proper investigation, she would have found that I did not know the individuals whom were allegedly fighting. That I was not assigned as a cellhouse worker during the time of this incident. Also that I was assigned as a E-house barber (which is corroborating evidence that this R/O lied during this report and that I never had access to commit these outrageous allegations. With a proper investigation of these alleged charges and accusations, this disciplinary report should not have even made it to an Adjustment Committee.

Relief Requested! (dollars) a day for each day I was spent in seg after 7-11-2009 regarding this issue. I ask Brown #2793 be punished for neglecting her duty by failing to investigate this issue properly.

R/O Tejada alleged that his investigation produced an OTS that shows I Brown was assigned as a cellhouse worker during the time of this incident. The attached OTS PROVES DIFFERENTLY. R/O Tejada lied, AND Brown failed to do her job! (See highlights on attached exhibits!)
